Pit Technician

Austral Resources – Anthill Open Cut Copper Mine

As a valued member of the Mine Technical Services team, you will be providing assistance to the mine geologists and surveyors and working collaboratively with the broader Mining Team to maximise the ore recoveries and copper grades from the Anthill pit. This role is an entry level role into the mining industry.

Safety is a core value at Austral and we expect all levels of employees to always act in a manner that seeks to enhance the safety culture and performance of our operations.

This role is offered on 14 days on, 7 days off roster and is FIFO from Brisbane, Townsville or Cairns, or alternatively DIDO from Mount Isa. The role will initially be day shift with the possibility of night shifts being included as the project expands.

Accommodation and meals are provided in a comfortable camp with a fully equipped gym.

Duties of the role:

- Demonstrate a commitment to safety and zero-harm culture
- Assist the mine surveyors and geologists with ore mark ups and general pit work
- Collecting blast hole samples from the drill rigs
- Ensuring samples meet grade control/quality control sampling standards
- Maintaining records of all samples taken from the drilling completed on the pit floor
- Assist with the logistics of sample dispatch to the offsite laboratory
- Assist with dewatering activities from the bore field and the pits
- Work within a small technical services team dedicated to achieving our set targets

About You:

You will have:

- A strong work ethic with a focus on getting the job done safely
- Queensland C class manual drivers' licence is essential
- Excellent time management and organisational skills with the ability to work independently and demonstrate initiative
- Experience using MS Office
- Demonstrate excellent communication skills

Eligibility:

- Candidates must be domiciled and eligible to work in Australia (without requiring sponsorship) to be considered for employment by Austral Resources.

Please submit applications and a copy of your CV to admin@australres.com
