Mine Dewatering Technician

Anthill Open Cut Copper Mine

As a valued member of the Mining team, you will provide timely and efficient water management skills to enable mining operations to continue unaffected in all parts of the Anthill mining operations.

Safety is a core value at Austral and we expect all levels of employees to always act in a manner that seeks to enhance the safety culture and performance of our operations.

This role is offered on 14 days on, 7 days off roster and is FIFO from Brisbane, Townsville or Cairns.

Duties of the role:

- Installation, maintenance, and removal of dewatering infrastructure including sumps, pipes, and pumps,
- Working with large diameter pipework installing above ground pumps,
- Poly welding HDPE pipelines - new and repair works,
- Operation of mobile earth moving equipment for basic loading and clearing activities,
- Mechanical works including installation of pipe work, tanks, valves, flow meters,
- Demonstrating a strong safety focus with the ability to work in a team environment,
- Attend all prestart shift talks or equivalent,
- Operate company computer systems for communication and recording data,
- Maintain housekeeping to a high standard,
- Maintain a high work output level, and provide assistance where required,
- Ensure all company policies and procedures are followed, and
- Maintain good timekeeping standards at all times.

About You:

- Qualification in poly welding, butt welding,
- Mechanical / fitting trade WHS legislation,
- Experience in operating mine dewatering equipment,
- Experience in mining legislation,
- Plans and work instructions, and
- SharePoint / NAS / Data Bases.

Remuneration will be commensurate to the skills and experience of the successful applicant.

Site amenities include a fully equipped modern camp facility with ensuite rooms, gym, pools, wet mess, internet room and NextG coverage. All transport and meals are provided.

Eligibility:

Candidates must be domiciled and eligible to work in Australia (without requiring sponsorship) to be considered for employment by Austral Resources. Further information about Austral Resources is available on the Company's website.
